School Songs

Fight Song

Fight, Raiders, Fight! Fight, Raiders, Fight!
Fight for the school we love so dearly!
You'll hit 'em high, you'll hit 'em low,
You'll push the ball across the goal.
Tech, fight! Fight!
We'll praise your name, boost you to fame,
Fight for the Scarlet and the Black.
You will hit 'em, you will wreck 'em!
Hit 'em! Wreck 'em!
Texas Tech,
And the Victory Bells will ring out—

Matador Song

Fight, Matadors, for Tech!
Songs of love we'll sing to thee.
Bear our banners far and wide.
Ever to be our pride.
Fearless champions ever be.
Stand on heights of victory.
Strive for honor evermore.
Long live the Matadors.

The purposes of Angel Flight are to advance and promote interest in the Air Force, to assist and support Arnold Air Society and Air Force ROTC, and to serve the university and the community. In service to the Air Force, the Angels serve as hostesses at Reese Air Force Base for various events. Arnold Air Society and Angel Flight work together in various service projects such as raising money for and helping with the children at Ballenger School for Exceptional Children. In its service to the university and community, Angel Flight participates in honor guards, marches in homecoming and rodeo parades, and various other events. Other activities have included trips to the Air Force Academy, hostessing the area conclave and Southwest Regional Drill Meet, and as a drill team, the flight attends various drill competition.

In the spring of 1970 at National Conclave in Anaheim, California, the Tech Angel Flight received the Purdue Cup, signifying the best Angel flight in the nation for 1970. Their sponsor, Col. Haynes M. Baumgardner, received the award for the Outstanding Advisor. The Angels were recognized at the University Recognition Service for receiving this honor.

To become an Angel, girls must have a 2.25 grade-point average and must try-out either in the fall or spring. Members are selected according to ability, poise, character, and appearance.

CorpsDettes

The Army CorpsDettes of Texas Tech is a girls' drill team and social organization sponsored by Scabbard and Blade and the Army ROTC.

CorpsDettes is designed to promote activities and interest in the Army ROTC program at Tech and to increase the educational experience of the members through off-campus events. The girls participate in many campus activities such as marching in the homecoming and rodeo parade, preparing for the Military Ball, and hostessing various social and athletic events. Off-campus activities include marching in the Fiesta Parade in San Antonio; tours of Reese Air Force Base; and various other in-state and out-of-state drill competitions. CorpsDettes also help to sponsor the annual Southwest Drill Meet held at Texas Tech.

The traditional Army green uniform worn by the members consists of a straight skirt and semi-fitted jacket complemented by a gold ascot and braid. Uniforms are worn every Thursday and for special events.

Members, not to exceed 45, are selected at the beginning of each semester on the basis of marching ability, poise, character, and appearance. A 2.5 grade-point average is required each semester. Meetings are held on Tuesday and Thursday afternoons.

Fashion Board

Fashion Board was begun by a top fashion store to promote fashion awareness on college campuses in the Southwest. In the Spring of 1970 the club developed into a striving organization on campus, and it received formal recognition at Tech.

The girl who loves clothes, modeling, excitement, fun, and serving her community will love Fashion Board.

Style shows are presented for the Tech and Lubbock community; and we have our own presentation at the Dallas State Fair. All members may participate in these shows.

Community projects for 1970-71 included a benefit style show in the University Center and a charm course given to educate girls at the Lubbock State School.

Special events consist of clinics, field trips and parties.

Membership requirements include a 2.00 grade-point average, and a desire to promote fashion freedom and awareness on the Tech campus.

Women's Service Organization

Since its origin as a committee of the Association of Women Students in 1959, Women's Service Organization has increased in size from the original seventeen members to almost a hundred or more active and inactive members at the present time. The women of the organization contribute over 1700 service hours to the campus and community each semester.

Women's Service Organization gives the woman student an opportunity to be of service to the University while identifying herself with a respected group. The maroon and white uniforms of WSO are a familiar sight on campus as the members proudly work on numerous projects including homecoming activities, campus elections, annual bike race, ushering, United Fund, reading for blind students, Dad's Day, working with the annual Carol of Lights, servicing the Lubbock State School, and the March of Dimes.

The principles of friendship, service, and equality are stressed during the period of pledgeship as well as among the active members of WSO. During the approximate ten-week pledgeship, pledges become acquainted with actives through joint projects and signature appointments. The requirements for initiation are a 2.00 grade-point average, ten service hours, and most important, a desire to serve.

Tau Beta Sigma

Tau Beta Sigma, the honorary fraternity for bandswomen, was granted its national charter on March 26, 1949; on May 4 of that year, Beta Chapter was installed on the Tech campus. Tau Beta Sigma was actually founded on the Tech campus; Alpha chapter, however, is located at Stillwater, Oklahoma, in order to share headquarters with Kappa Kappa Psi, the honorary fraternity for bandmen.

The purpose of the sorority is to promote and cultivate a wholesome respect for band activities, to honor outstanding bandswomen, to stimulate campus leadership, to foster a closer relationship among college bands, and to provide a pleasant social experience.

To become a member, a coed must be a member of one of the Tech bands and have a 2.25 grade-point average for the semester prior to her initiation.

Throughout the year, the chapter's greatest contribution and responsibility is the completion of the numerous essential tasks which maintain "That Goin' Band From Raiderland" in its rightful position of repute and respect throughout the nation.

Mu Phi Epsilon

"Music is the noblest of the arts, a source of much that is good, just, and beautiful." This symbolizes the unity felt among Tech women music majors, minors, and specialists of Mu Phi Epsilon.

This international professional music sorority for women was founded at the Metropolitan College of Music in Cincinnati, Ohio, on November 13, 1903. The Tech chapter, Epsilon Pi, was installed in 1952.

Epsilon Pi requires its members to have a 2.5 overall grade-point average with a 3.0 average in music courses. Qualities of musicianship, leadership, and friendliness are essential.

Tech's chapter supports recitals on and off campus and performances of individuals in the musical productions at Tech. A music therapy project has been organized in which the sorority aids the Lubbock State School in musical activities. Epsilon Pi also has some functions during the year with their brother fraternity, Phi Mu Alpha Sinfonia. An award is presented annually by the chapter to a deserving and talented senior.

Women's Residence Council

The Women's Residence Council, composed of the presidents and vice presidents of each hall, is the policy-making organization for the women's residence halls and the Women's Residence Hall Association. This association consists of all residents of the Texas Tech women's residence halls. Upon moving into a residence hall, the woman resident automatically becomes a member of this organization. The officers of the Women's Residence Council (WRC) are then elected by all women living in residence halls. WRC members, acting as official representatives of their halls, discuss questions of student government and regulations which arise in the residence halls.

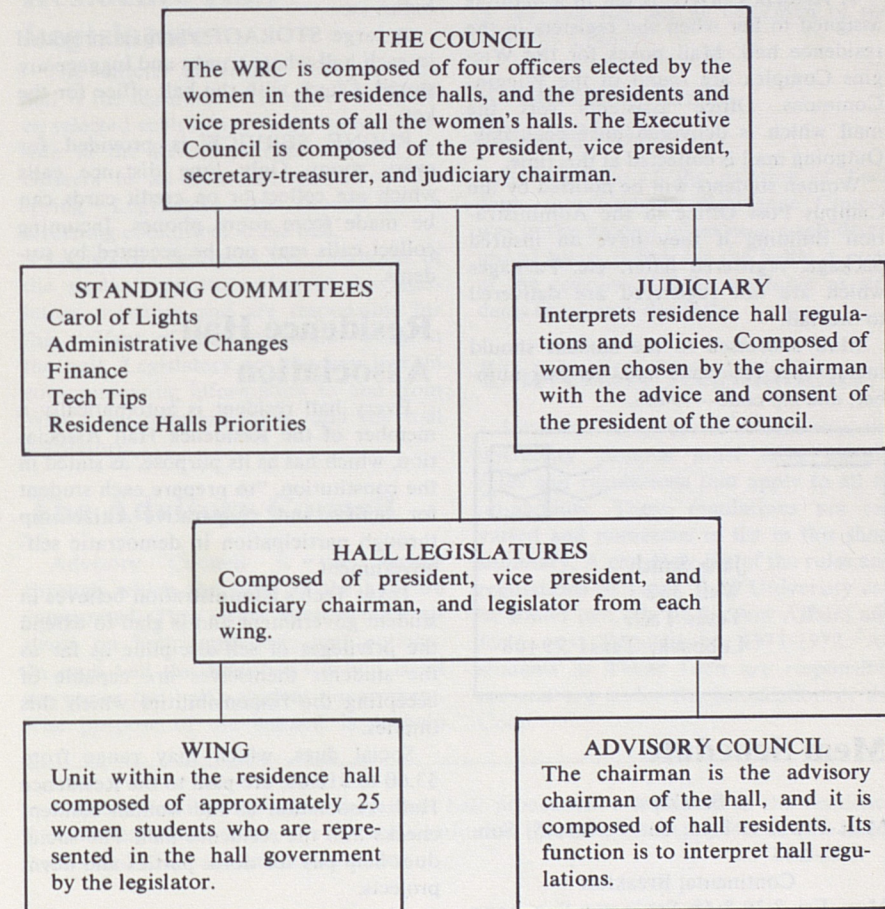

As an important communications link for women residents, WRC encourages an effective cultural program and an atmosphere conducive to academic learning. The Carol of Lights, a major fall project, has become an annual campus tradition marked by residence hall choirs singing Christmas carols and climaxed by the turning on of the lights which highlight the campus during the holiday season. Other projects include scholarship trophies given in the spring to the hall with the highest grade-point average and to the hall with the most improved grade-point average.

One of the more recent Women's Residence Council's projects was the creation of the Marshall L. Pennington Loan Fund established in 1967. This fund, which establishes a short-term loan for second-semester freshmen and upperclass women in the residence halls, was increased by WRC in 1969 and 1970.

A Guide To Residence Hall Living

Here's How It's Done

A resident's MAIL is put in a mailbox assigned to her when she registers in the residence hall. Mail boxes for the Wiggins Complex are found in the Wiggins Commons. Office assistants sort the mail which is delivered once each day. Outgoing mail is collected at this time.

Women students will be notified by the Campus Post Office in the Administration Building if they have an insured package, registered letter, etc. Packages which are not registered are delivered to the hall.

Mail addressed to the student should include her residence hall, her box number, and zip code—79406.

There are LAUNDRY and drying rooms in each women's residence hall with automatic washers (25 cents per load) and dryers (10 cents per load).

All needed REPAIRS should be reported to the office. Each hall has its own

"Mr. Fixit" to make repairs and fill such requests as replacement of electric light bulbs, etc.

A large STORAGE room is provided in each hall where trunks and luggage are stored. Check with the hall office for the key.

PHONE SERVICE is provided for every room. Only long distance calls which are collect or on credit cards can be made from room phones. Incoming collect calls may not be accepted by students.

Residence Hall Association

Every hall resident is automatically a member of the Residence Hall Association, which has as its purpose, as stated in the constitution, "to prepare each student for active and cooperative citizenship through participation in democratic self-government."

Texas Tech's administration believes in student government and is glad to extend the privileges of self-discipline as far as the students themselves are capable of accepting the responsibilities which this implies.

Social dues, which may range from \$3.00 to \$10.00, are paid to the Residence Hall Association as the woman resident checks into the residence hall. The social dues help pay for dorm parties and dorm projects.

Residence Hall Counselors

Each residence hall has one adult supervisor, the hall counselor, who is professionally trained for her job. The counselor is responsible for administering a smoothly-run hall with an atmosphere conducive to study and for counseling with the girls in the hall whenever the occasion arises. The counselor may be reached at any hour by calling the uni-

versity number and asking for the desired residence hall counselor or by calling her phone number directly.

Residence Hall Legislature

The official governing body of each hall is the legislature, composed of women selected each spring from the membership of the Residence Hall Association. Officers in all halls are elected in the spring. Legislators are chosen by a screening committee in the hall.

Legislators represent the viewpoint of the students on that wing in the legislature meetings and are responsible for the welfare of their particular wing in the hall. Legislators are the key link in communicating information to and from WRC, the administration, and the hall legislature.

The Advisory Council

Advisory Council is the agency through which the rules of the hall are interpreted. This group advises the residents on hall regulations and policies. In each hall the Advisory Council is set up under the hall's student government. The purpose of the council is to help

young women adjust to the policies and regulations of the residence halls. Appeals and referrals from individual Advisory Councils may be made to the Judiciary Council. The advisory chairman of the hall will act as chairman of the Advisory Council.

Residence Hall Regulations

At the time of the printing of Tech Tips, the Women's Residence Council was in the process of revising a self-determined hours policy for the halls. A copy of the revision will be available as students check into the halls.

University Regulations

Like any other social community, the university campus must have certain rules and regulations that apply to all its inhabitants. These regulations are too varied and numerous to list in this short summary. A complete list of the rules and regulations of Texas Tech University can be found in Code of Student Affairs and Rules and Regulations, 1971-1972. All students at Texas Tech are responsible for and are under the jurisdiction of the Code.

Other details of WRC and resident hall procedures are printed in the residence hall manual **Here's How**, the WRA Constitution (found in the Appendix of this handbook), and residence hall constitutions.

Chitwood Hall

Chitwood is tops! Come be a Chitwood girl, and you will enjoy all the conveniences of living in the newest women's residence on campus.

Located on Flint Avenue, Chitwood will begin its fifth year on Tech campus as a co-educational residence hall for Tech women. Chitwood is connected with Weymouth, the newest men's hall. On the first floor, Chitwood and Weymouth share a snack bar with adjacent concession room and a recreation room with a checkout room for game equipment.

This beautiful, modern hall has many extra facilities for women students. For your leisure and relaxation, there is an informal lounge with its unique color scheme on each floor. Along with each of these informal lounges, you will enjoy the use of a typing room and a storage room for luggage. In the basement there is a private room for TV watching, a piano, and a study room. Other modern conveniences include postal service, kitchenette, year-round air conditioning, elevators, and a private sun-deck on the roof.

Chitwood is still new and is open to ideas and suggestions from its residents. Come and join us . . . let's make this the best year yet!

Clement Hall

Come live in Clement Hall and experience the friendliness and spontaneity of dorm living.

Clement Hall girls are active in a variety of campus activities, a tradition which has contributed to Clement's honor list. Clement Hall is always bustling! The hall sponsors all-dorm parties, exchange dinners, intramural sports, and open house on various occasions. Serenades by fraternities and all-dorm mixers in the early fall provide opportunities for new friendships.

The scholarship banquet held each spring for those residents who maintain a minimum 3.0 grade-point average for the previous semester is an added incentive for academic accomplishment.

We have a spacious contemporary formal lounge complete with baby grand piano. For less formal entertainment, the informal lounge may be used for playing bridge or watching color television. Other conveniences include year-round air conditioning, an enclosed sunbathing patio, a centralized concession room, laundry facilities, ironing rooms and elevators.

Enrichment through friendship, fun, and activities is yours in Clement Hall—we hope to see you soon!

Doak Hall

Doak Hall has the distinction of being the oldest dorm on campus. It was named for Mary Doak, the first Dean of Women at Texas Tech.

The atmosphere of warmth and friendship is very evident in this smallest of dorms, housing only about 150 girls. The size does not in any way, however, hinder the activities of the dorm. The active Freshman Council with its programs and ideas sets the pace for other parties and activities.

The dorm has a large air-conditioned study room, a comfortable lounge with a colored television and a grand piano. This room is open to residents and their dates, as a place of recreation and study. The downstairs lobby offers a stereo and a jig-saw puzzle.

The dorm is the most centrally located on campus—situated directly behind the bookstore, it is within easy walking distance of the central campus. It is connected to another women's hall, Weeks, and shares a joint cafeteria. This also provides the residents with easy access to the University Avenue side of campus.

Doak Hall really is a hall of western hospitality and friendship. We hope you will enjoy living in Doak as much as we do.

Gates Hall

Everyone wants to be a Gates girl. In its short history, Gates has already earned an honorable reputation by winning many honors. Gates' girls have also brought recognition to their residence hall by serving as participants and hostesses for many Tech activities.

Gates Hall is always bustling. Some dorm activities include a Halloween party, a homecoming decoration contest, a scholarship banquet, wing decoration competition at Christmas, and an Easter hat parade consisting of ridiculous hats designed by each wing. There are also mixers and intramural sports with men's dorms.

Gates is centrally located and was built with a modern and home-like atmosphere. Gates is equipped with an enclosed patio used for parties and sunbathing. There are also laundry facilities, elevators, and study rooms. Gates is proud of its beautiful formal lounge and its cozy informal lounge with a color television.

Gates is an all-around dorm—and Gates' girls are all-around girls.

Horn Hall

Friendliness, enthusiasm, and activities are always found in Horn. Fraternity serenades, followed by a succession of mixers with men's residence halls, start the year off right. Then there are homecoming decorations, all-dorm parties, intramural sports, and exchange dinners with boys' dorms.

Horn girls greet Christmas with enthusiasm. The girls decorate their doors, and there is an all-dorm party where everyone sings carols and helps decorate the tree that stands in the lobby. The girls also form a choir for the Carol of Lights.

Scholarship is important to each student; there are private study rooms on two floors which are open all the time. With spring comes our scholarship banquet and a picnic with the girls from Knapp.

Horn offers many advantages. The informal lounge is perfect for relaxing, watching color TV, and playing cards. The formal lounge is a wonderful place for visiting and entertaining dates and friends. You may play the piano or the new stereo. It is also the place for our short weekly devotionals. Besides all this, Horn offers laundry facilities, a TV room, a concession room, a grassy sunbathing area, a beautiful view, and a perfect location! What more could you ask for? We can't think of a thing. Join us, won't you!

Hulen Hall

Want to come join the fun? A big "howdy" greets you from the doors of Hulen Hall. Known as one of the friendliest dorms on campus, Hulen Hall is connected with her sister dorm, Clement Hall.

Hulen abounds with activities throughout the year. A homecoming coffee and a Dad's Day open house are given each year for alumnae and students. "Three-pointers" are honored with a scholarship banquet. Traditional celebrations include a Christmas party, a spring picnic with a band, an appreciation banquet for legislators and officers, and a transfer party.

Designed for both leisure and study, Hulen is equipped with many modern conveniences. A glassed-in cafeteria adjoins the formal and informal lounges, and a kitchenette is available for parties and social entertainments. Other conveniences include year-around air-conditioning, a sunbathing patio, a color TV, laundry facilities, a study room, and a utility room.

Residents may enjoy piped-in music, books and encyclopedias, movies shown in the cafeteria, and study halls held in the cafeteria during finals.

Enrich your college experiences—friendship, fun, and activities are yours at Hulen Hall.

Knapp Hall

The friendly traditions of Knapp Hall will continue as Knapp progresses from a freshman hall to an all-class dorm. Knapp girls are proud of their campus home and wish to share with all the women at Tech its friendships that are well-established.

Knapp, one of the older dorms, is centrally located on the campus, for it is within one block of the Infirmary, the Bookstore, the Women's Gym and the Music Building.

The activities of the hall respond to the needs of the girls with emphasis on scholarship as well as on participation in campus activities. The all-dorm parties, serenades and mixers with men's halls, and intramural sports are a few of the things planned to promote new friendships. Knapp's unique Christmas traditions include a candlelight service with Christmas traditions include a candlelight service with Christmas carols and the "Knapp Doll House" from which we contribute dolls for the "Toys for Tots." A new tradition that Knapp hopes to continue is the highly successful spring formal sponsored by the Freshmen Reps. Knapp is also proud of winning the Spirit Stick which is given to the group exhibiting the most spirit at pep rallies.

Knapp has an informal lounge for playing cards or table tennis and for watching color television. The formal lounge has a grand piano and a lovely stereo record player. Knapp girls are also proud of the large rooms with movable furniture.

High scholastic achievement is promoted by the girls of the hall. The study room and project room are in constant use. Knapp had the highest grade-point averages of any dorm on campus this fall. A special banquet is held for the girls making a 3.0 or better grade-point average. "Knappians" are known to promote spirit and unity on campus.

Stangel Hall

The 500 Tech women who live in Stangel Hall are offered the opportunity to live in the first co-educational residence hall on the campus. It is connected to Murchough Hall, men's hall, by a lounge and cafeteria on the first floor and mezzanine, a recreation room, and snack bar in the basement.

The activities of the hall will cater to the needs of all women students with the emphasis on scholarship, friendliness, and participation in campus activities. Study rooms are provided on the upper floors as well as in the basement after closing hours. Those attaining high levels of scholarship are honored throughout the year. Friendliness is encouraged by the atmosphere of the hall and through the participation in hall and campus activities, such as the celebration of holidays, birthdays, and special days on the campus.

The facilities of the hall are of a unique quality and certainly add to the pleasure of living in this dorm. A beautifully decorated and very comfortable snack bar will be available to the Stangel Hall residents. A glassed-in cafeteria is on the mezzanine, which overlooks the lounge and office area. Facilities are provided on the mezzanine for card playing, visiting, and television viewing.

We hope you will join us in Stangel Hall.

Wall Hall

A year of fun and unforgettable friendships awaits you in Wall Hall. The spirit and activity of Wall contribute greatly to a successful year. Won't you come where the action is?

This home of 404 coeds is easily accessible to the library, University Center, and academic buildings. A concession room for quick snacks, color television, informal lounge where bridge foursomes often gather, and a private study room are added benefits for comfortable dorm living. One particularly nice feature of Wall is an enclosed courtyard which is covered with sun worshippers beginning the earliest days of spring. For your convenience, Wall has laundry facilities and elevators.

Special traditions maintained by Wall are serenades by fraternities and men's dorms, the scholarship banquet, mixers, and seasonal parties, often with skits presented by each wing. Exchange dinners and open houses give Wall girls the chance to show off their dorm to friends, family, and dates. Each year, the girls eagerly await the tapping of legislators.

Wall coeds really go places, in the dorm as well as on campus. Scholarship is not slighted, however, for as a former freshman dorm, Wall held the trophy for the dorm with the highest grade-point average for four consecutive years. All of these many activities and honors add up to fun . . . and a girl from Wall is fun!

An Introduction to University Panhellenic . . .

Dear Rushee,

You will soon arrive at Texas Tech to begin your college career. Many of you will participate in MEMBERSHIP SELECTION WEEK, a program that can result in many friendships for you, regardless of whether or not you pledge a sorority. A rushee has the opportunity of meeting hundreds of other new students and an equal number of sorority members who are taking part. You will meet your future sorority sisters and other girls with whom you will form close friendships.

Before you arrive, you will want to give careful thought to what sorority membership should mean in terms of your obligation as a future member and in terms of what you expect to gain personally through this association.

The fifteen national sororities on the Tech campus maintain high standards in matters of personal conduct, scholarship, and campus citizenship. The all-sorority grade-point average is consistently higher than the all-college or all-women's average. Your scholarship is an important consideration for the sorority, for its members are expected to maintain above-average academic ranking. In addition, each sorority supports a national philanthropy; each member, collegiate and alumna, participates in the local projects. Those of you who understand the relationship between a member and her sorority and who wish to share in this relationship will find the group best suited to you personally. An open mind and natural, friendly manner will assure a meaningful and enjoyable MEMBERSHIP SELECTION WEEK for you. We are all looking forward to meeting you soon.

What Is Panhellenic?

The word Panhellenic is derived from Greek roots: "Pan" meaning all and "Hellenic" meaning Greek. Panhellenic is thus an organization in which all Greek letter social sororities are represented nationally as well as on the campus. To promote inter-sorority cooperation and to strengthen sorority-community relations as a whole, the fifteen social sororities at Texas Tech are members of the Panhellenic Council. Thirteen of the national sororities are members of National Panhellenic Conference, and two of the national sororities are members of National Pan-Hellenic Council. The Panhellenic Council is concerned with affairs of all chapters, including scholarship, social and cultural functions, and all campus events in which Greeks participate as a whole.

University Panhellenic Council

The governing body of the organization is the Panhellenic Council, composed of two representatives from each sorority. This council meets regularly to discuss questions of mutual concern, activities, and special events sponsored by Panhellenic throughout the year. Before action is taken on certain matters, the representatives have an opportunity to discuss questions with their chapter so that all sorority members have a voice in Panhellenic decisions.

The officers of University Panhellenic Council are ex-officio members of the council. The executive board meets bi-monthly to discuss plans and, in some cases, to make recommendations to the council for action, to coordinate the various activities of the association, and to conduct routine business matters. The officers serve as rush advisors and coordinate rush week.

Panhellenic officers are as follows:

President Lynn Kirkpatrick
Vice President Karen McBride

Secretary Ann Bostick
Treasurer Beverly Johnstone
Social Chairman Gayle Settle
Scholarship Gwen Garrett
Junior Panhellenic

Executive Debbie Hanson
Rush Chairman Beth Hooper

The following are the Panhellenic delegates: Brenda Alexander, Deborah Boyd Cherry Browning, Carolyn Collette, Kathy Garnette, Judy Kilcrease, Vicki Martin, Liz McGaughey, Karen Mince, Martha Moore, Lera Nettles, Nancy Pinto, Annette Rollins, Jo Ann Snodgrass, Stephanie Williams.

GREEK—the name applied to sorority and fraternity members.

INITIATION—the ceremony by which the pledge becomes a member.

LEGACY—a rushee whose grandmother, mother, or sister is an alumna or member of a certain sorority.

MEMBER—a woman who has met the pledge requirements of a sorority and has been initiated into the sorority.

PLEDGE—a student who has accepted the bid of a sorority and has participated in the pledge ceremony.

RIBBON-PLEDGING—a ceremony which precedes formal pledging. The pledge receives a ribbon of the sorority colors.

RUSH—the period set aside for the sororities to entertain rushees in an effort to get acquainted and to secure new members.

RUSHEE—a woman who is indicating her interest in membership in a sorority by participating in rush.

SORORITY—a group of university women who have chosen to establish a close affiliation with one another.

SORORITY RECOMMENDATION—a personal reference from an

alumna of a particular sorority. (Each sorority is responsible for obtaining these recommendations.)

SPIKING—a persistent persuasion on the part of a sorority or sorority member to secure from a rushee some commitment of preference for that group.

What Are Sororities?

Active Chapters

A sorority is an organization whose members have elected to establish a close affiliation and friendship with one another. Each sorority has a similar purpose—to offer an opportunity for close friendship and to teach its members leadership through the experience of working with others on common goals and projects. Mutual interest in education, college activities, and in each other binds the group together. Every sorority encourages and expects above average scholarship. Each encourages participation in varied activities which in turn offer unlimited and valuable experience.

Sororities promote lifetime friendships that are maintained after college in alumnae groups and chapters. The affiliation with a national organization gives chapter members a meaningful concept of their responsibility as individuals in a group.

Alumnae Groups

Upon leaving college, initiated members of the sorority become alumnae and are eligible for membership in alumnae organizations. Each of these groups participates in a wide range of philanthropic and educational projects sponsored by its national organization and in addition gives support to local community programs.

How Do Sororities Choose Their Members?

Before a sorority asks you to pledge, the members want to be sure that you will be happy in their groups and that

they, in turn, will enjoy working with you. It is important for the sorority members to meet you and to see you as you really are. Formal rushing has been planned with this idea in mind. At the parties, sorority members will decide whether they think you will be a congenial member of their group.

Naturally, you want to make a "good impression" and you will dress carefully, as will the girls whom you are going to meet. But do not think your appearance is all that counts. **Your high school record of activities and scholarship is carefully considered by a sorority in determining your potential as a member.** These are, after all, fairly dependable indications of your future achievements at Texas Tech.

Each sorority is limited in its total membership and its total number of pledges each year. The number of pledges allowed each chapter is determined each year by the number of young women interested in sorority membership. Each sorority was able to pledge a maximum of thirty-five women during the last formal rush period.

How Do You Choose A Sorority?

You should choose a sorority in exactly the same way you would choose any group of friends. It should be a decision based upon mutual interests and friendship.

During rush you will have many opportunities to talk with sorority women. They will be looking at you as a potential friend and you will be looking at them in the same manner. Act, then, as if you were with a group of your friends and talk about things which really interest you. Do not be afraid to ask questions about their sorority activities and finances. Sorority members will be happy to talk with you about them.

Do not set your heart on one group alone. It is best to know several groups. Remember to look for the heart of the sorority—its members. The ones you

choose as sorority sisters will be your close friends for four years of college and for years afterwards. Every group is worthwhile and has much to offer.

Make up your own mind about joining a sorority. Do not be influenced by the opinion of your associates and relatives. You alone are affected by this decision. The essential thing is to choose a group of women with whom you will be congenial.

Finances

One of the important considerations in deciding to pledge a sorority must be whether or not you would be able to meet your financial responsibilities. The financial requirements for the pledges and members of all sororities at Texas Tech are similar. Check your pocketbook and consider carefully the expenses of being a sorority pledge and member.

If you can afford to pledge a sorority, the extra expense is repaid a thousand-fold in companionship and sisterhood. Be sure you want to assume this obligation before choosing a group and pledging it.

Ranges Of Sorority Expenses—1971-1972

Pledge's

Financial Obligation\$200-265.00
which consists of:	
Pledge Fee (paid at time of pledging)\$10-28.00
Monthly Pledge Dues (paid during pledgeship)\$15-20.00
Initiation Fee (paid at time of initiation)\$40-105.00
Badge (some included in initiation costs)\$4.50 and up
Member's Yearly Financial Obligation	. \$130.00-175.00

Monthly members' dues (paid after initiation)

..... \$14.00-25.00

Most groups have a building fund fee ranging from \$50.00 to \$150.00. This total amount may be in addition to the above standard fees or included in monthly dues. Other items which may or may not be included in dues are the following:

- 1) personal insignia jewelry
- 2) composite pictures
- 3) favors for dinner-dances
- 4) retreats
- 5) life membership dues
- 6) additional national fees

The preceding figures represent the amount which must be met by each member. Aside from these, any additional cost is up to the individual. Some of the extra things that should be considered are sweatshirts, blazers, windbreakers, Big and Little Sister presents, and costumes for rush.

All sororities receive financial supervision from experienced alumnae and employed accountants. The financial advisors of the chapter welcome consultation with parents at any time.

Formal Rush

Living Accommodations for Rush Week

Rushees who will be living in University residence halls during the fall semester, 1971, will be housed in the rooms to which they have been assigned for the fall semester. The Housing Office will notify you of your room assignment.

Lubbock rushees who will not be living on campus during the fall semester will be permitted to live at home during the rush period since housing facilities are not available in the residence halls or in motels adjacent to the campus.

The University Center will open at 10:00 a.m., Saturday, August 21, for registration. **You are to go first to the University Center in order to begin rush registration with Panhellenic.** After you have completed registration at the Uni-

versity Center, you will move into your residence hall. You must register and move into the dorms between 10:00 a.m. and 2:30 p.m., Saturday, August 21, 1971.

The Panhellenic Cooperative Party-Rush Convocation will be held from 3:00 p.m.-5:00 p.m. and 6:30-8:30 p.m. in the Ballroom of the University Center. When you register for rush you will be given your Convocation Assignment and in order to be eligible for rush you must attend the Convocation to which you were assigned.

Meals will be served for those rushees living in the residence halls. Meals will include breakfast, lunch and dinner, beginning with lunch on Saturday, August 21, and ending with dinner on Tuesday, August 24th. (Exception: There will be no evening meal served on Sunday, August 22nd.) Regular meal services will begin on Wednesday, August 25, 1971, with breakfast.

Closing hours for the residence halls will be announced during Membership Selection Week. Each rushee is responsible for signing in and out of the hall. Rule infractions will be transferred to your fall semester record.

Panhellenic expects all rushees to be neat, orderly, and quiet in their rooms, and to be courteous and cooperative with those in charge of the residence halls and with the people administering the program.

Transportation

Each rushee is responsible for her own transportation to and from the parties. After Period I, parties will be held off campus. A car is nice but not absolutely necessary as you can either call a cab or ride with another rushee who has a car. Neither sorority members nor alumnae are allowed to transport rushees. If an emergency arises, call the Panhellenic Office and a Panhellenic person will be sent.

Important Tips For Rushees

1. Fill out the White Master Registration Form, 15 Information Blanks, 16 BILLFOLD pictures of yourself, Grade Information Sheet, Blue Housing Information Blank and return them to the Student Organizations Advisor, Box 4259, Texas Tech University, Lubbock, Texas 79409. Entries must be postmarked no later than July 20, 1971.

2. Rush Registration of either \$25.00 or \$5.00 must be paid in one check, made payable to Texas Tech University Panhellenic Association. One check for \$25.00 payable to Texas Tech University Panhellenic for your rush registration fee, housing and meal services. This amount applies only to those rushees who will be housed in University residence halls for fall semester, 1971. Or one check for \$5.00 payable to Texas Tech University Panhellenic for your rush registration fee. This amount applies only to those rushees who do not have a residence hall contract for the fall semester, 1971. Your registration for rush will not be complete until all fees are paid, and information blanks, registration and grade forms and pictures are received. **Only registrations that are complete and postmarked before midnight, July 20, 1971, will be accepted.** No exceptions will be made to this policy.

3. If you find you must cancel your rush registration, you must notify the Office of the Director of Student Activities. Your fee of \$25.00 or \$5.00 will be refunded if you cancel by July 20, 1971. No exceptions to the policy will be made. Academic ineligibility after July 20th forfeits both the registration and room fees.

4. The University Panhellenic Advisor's Office is permanently located in the Office of the Assistant Dean of Students for Programs; however, during rush, all activity and business will take place in a temporary Panhellenic Office.

5. You may send checks or money orders, but please do not send cash through the mail.

6. It is recommended that registration be completed as soon as you receive the material from the Panhellenic Office.

You may register by mail or in person. Only registrations that are complete and postmarked before midnight, July 20, 1971, will be accepted.

A written excuse must accompany any packet received past the deadline date. These excuses will be reviewed by a board who will determine if the girls could go through rush. The board will meet up to, and until, Friday, July 23, at 5:00 p.m. to review all unusual cases which have been referred to them up to this time.

If you do not get a card from Panhellenic confirming receipt of rush registration, notify the Office of the Director of Student Activities.

What To Wear—When

One of the most important things to remember when planning what to wear is the warm climate of Lubbock. Simplicity and practicality are the key rules in campus wear. You need not bring special clothes to rush, for those you choose from your college wardrobe will be suitable. Be comfortable and well-groomed.

The University Panhellenic Association would recommend that no shorts or curlers be worn in the University Center during rush and registration.

Period I—Wear lightweight casual clothes (dresses or pant suits), low shoes, and hose. (Shoes should be comfortable for walking.)

Period II—Wear lightweight casual dresses, low shoes, and hose.

Period III—Wear lightweight casual dresses, low shoes, and hose.

Period IV—Wear church clothes, heels, and hose.

Period V—Wear an after-five dress, hose, and heels.

Be natural and be yourself at rush parties! Good manners are important equipment for making favorable impressions, and they help express your personality. Talk about any subject that interests you, and don't be afraid to ask questions. Be a good listener, also. Don't be "snowed" by the parties: just remember the girls that you meet.

Summer Rush

The University Panhellenic Association of Texas Tech University has adopted the policy of not participating in any form of summer rush. This prohibits any Tech sorority girl and any potential rushee from participation in or attending any function given by only one fraternity prior to Formal Rush Week.

Violations of this rule should be reported in writing to the Panhellenic Advisor within two weeks of the incident. Mark "personal" on the envelope. These matters will be taken up at the first meeting of the Judiciary Committee of Panhellenic.

Open Rush

The period of Open Rush begins immediately after formal rush if any sorority is eligible to participate. A girl may indicate her interest in participating in Open Rush in the Office of the Panhellenic Advisor, Rm. 171, Ad Building.

Rules Governing Formal Rush Week

Rules have an important purpose in rushing. When the University Panhellenic Council makes the rules for rushing, it tries to give all rushees and sororities equal consideration. Rushing is really not mysterious when you understand its regulations and purpose. Much careful organization goes into creating a rushing schedule that gives all concerned a fair opportunity to reach necessary decisions. Follow the rules, stay relaxed, and make the most of rushing experiences.

I. Eligibility of Rushees

Rushees must be regularly enrolled or in the process of enrolling in Texas Tech University for 12 or more hours in order to be eligible to participate in any rushing program. Rushees entering from high school must have at least a "C" high school average to be eligible. (It is recommended this be at least a high "C" average.) Any rushee previously enrolled in any college, including summer school, must have at least a "C" overall average and a "C" average the previous semester prior to pledging in which she was enrolled in order to be eligible for rushing. Semester prior to pledging shall be interpreted as the fall or spring semester or the complete schedule of summer school work. All rushees are responsible to see that their transcripts have been received by the Registrar's Office of Texas Tech before the day rush begins. Complete the Grade Information Form enclosed with other material.

II. Membership Selection Rules

1. Rush Week is defined as beginning at 10 a.m., Saturday, August 21, 1971, and ending with receiving of bids Sunday, August 29, 1971. Silence begins at 3 p.m., August 21, 1971, when convocation is held.

2. Upon arrival in Lubbock, a rushee is not to go to the home of sorority members or be with any one connected with a sorority other than members of her immediate family.

3. Rushees shall not grant interviews to the press nor pose for photographers during Membership Selection Week unless

arrangements have been made with University Panhellenic and the Office of the Director of Student Activities.

4. Emergency telephone calls will be taken care of through the dorm counselor.

5. A rushee must arrive and leave all rush parties at the hour specified in the invitation.

6. If a rushee gets lost trying to find a party, she should notify the Panhellenic Office so that they may notify the sorority that she will be late. Do not cut a party just because you will be late. The sorority will understand and will want you to come.

7. Under no circumstances should a rushee call a sorority house for any reason during Rush Week. Should the rushee confuse the times, the places, her parties, or becomes ill, she should notify the Panhellenic Office, which will notify the sorority.

8. Should a rushee be forced or wish to discontinue rush at any time, she must contact the Panhellenic Office.

9. If a rushee cannot attend a party due to illness, she must not notify the chapter herself. *A rushee must attend every party whose invitation she has accepted.* Cutting a party without the permission of the Panhellenic Office may result in the forfeiture of the remainder of rush.

10. Panhellenic name tags will be issued to the rushee at Rush Convocation to be worn on all occasions. A rushee is responsible for her name tag throughout Rush Week.

11. Rushees are required to bring rush rules booklet, pencil, and a schedule of all accepted parties to all convocations.

12. There is to be no smoking at any of the rush parties.

13. Rushees are subject to the penalty of deferred rushing for one semester for violation of rush rules.

14. A rushee must pick up her own invitations; she may *not* send someone to pick them up for her. If a rushee doesn't pick up her invitations, Panhellenic will assume that she has withdrawn from rush.

III. Counseling During Rush

Counseling is one of Panhellenic's major functions during Rush Week. Panhellenic offers rushees counseling on personal as well as technical aspects of rushing. There

will be a rush advisor living in the dorm during Rush Week. She will be available for counseling at all times. Each rushee will also be assigned a rush advisor who will be available in the dorm at the designated times to be set at registration.

If a rushee desires to discontinue rush by regretting all of her invitations, she is urged to take advantage of Panhellenic Counseling available at the post office before making a final decision.

Counseling will be provided in the following places:

1. Panhellenic Rush Office

2. In dormitories, at designated times and places

IV. Silence During Formal Rush

Silence is a time when all rushees are asked not to converse with people other than the rush advisors except at the parties. The reason for this is that Panhellenic does not want a rushee's choice of a sorority to be the result of outside influence. Women are much happier in a sorority which they themselves have chosen rather than a group which parents, men, and other friends encourage them to join. A rushee must not discuss sorority membership with another rushee since this must be an individual decision. A rushee is allowed, however, to associate with rushees during Rush Week.

1. The period of silence begins with Convocation (*which every rushee must attend*) on Saturday, August 21, 1971, at 3:00 p.m., and ends with the acceptance of a formal bid on Sunday, August 29. *Rushees may not receive guests in the hall during the period of silence.*

2. There shall be no contact or conversation between a rushee and sorority member, pledge, or alumna except at the specified rush parties. You may say hello.

3. Sororities are bound by silence and may not deliver letters, telephone calls, or telegrams to rushees at any time, nor may they enter a rushee's room during the period of silence.

4. No sorority woman (active or pledge) may be present in a room where any rushee resides (and vice versa) during formal rush week, unless she is a resident of that room during Rush Week.

5. A rushee who is the roommate of a sorority member will naturally be in contact with her, but they *must not discuss sororities or rush*.

6. You may not receive *any* mail, phone calls, or visitors. Emergency packages and messages may be checked through the Panhellenic Office and then be given to rushees.

7. Emergency telephone calls will be taken care of through residence rush advisors and hall counselors. Request that your family and friends not insist upon talking with you during rush for you are the one who is penalized.

8. There is no contact whatsoever with men, family, or friends during Membership Selection Week. The rushee may not leave the city of Lubbock to go home or for any other reason.

9. Breaking of silence before rush is over will result in appearance before the Panhellenic Judiciary Committee and possible removal from rush.

V. Illegal Rushing

1. Oral invitations to parties or to join a sorority are absolutely forbidden and are not valid during formal rushing.

2. By mutual agreement there shall be no "spiking" at any time. (see definitions)

3. Sorority members shall make no statements to rushees or to others giving their idea of sorority ratings on the Tech campus, for there is no such thing.

4. No gifts, flowers, or favors can be given to rushees with the exception of Period V parties. The rushee is to take nothing from any of the parties with the exception of Period V.

VI. Penalties for Violations of Membership Selection Rules by Sororities

1. It is your responsibility to report any infractions of any rush rules within 48 hours of the occurrence. All penalties for violations of rush rules will be decided by the Judiciary Committee of University Panhellenic.

2. Rushees should remember that if a sorority member(s) issues oral invitations to attend rush parties during Rush Week or to join her group, or the sorority members violate any other rush rules, it is a breach of the sorority's honor, and *must* be reported by the rushee to Panhellenic.

The Panhellenic Creed

We, THE UNDERGRADUATE MEMBERS of women's fraternities, stand for good scholarship, for guarding of good health, for maintenance of fine standards, and for serving, to the best of our ability, our college community. Cooperation for furthering fraternity life, in harmony with its best possibilities, is the ideal that shall guide our fraternity activities.

We, THE FRATERNITY WOMEN OF AMERICA, stand for service through the development of character inspired by the close contact and deep friendship of individual fraternity and Panhellenic life. The opportunity for wide and wise human service, through mutual respect and helpfulness, is the tenet by which we strive to live.
