Fight, Matadors, for Tech!
Songs of love we'll sing to thee.
Bear our banners far and wide.
Ever to be our pride.
Fearless champions ever be.
Stand on heights of victory.
Strive for honor evermore.
Long live the Matadors.

### **Residence Halls Association Council**

The residence Halls Association Council is composed of the presidents, vicepresidents, and representatives from each hall. It is the highest form of dorm government, and is the policy-making organization for the residence halls and the Residence Hall Association of Texas Tech University. The association consists of all of Tech's dorm residents. The officers of the RHA Council are elected by all dues-paying persons living in the halls. RHA Council members act as the official representatives of their halls and discuss questions of student government and regulations that arise in the residence halls.

The RHA Council encourages an effective cultural program and an atmosphere conducive to academic learning. The Carol of Lights, a major fall project, has become an annual campus tradition. Other projects include Academic Development and scholarship trophies given in the spring to the hall with the highest grade-point average and to the hall with the most improved grade-point average.

The Residence Halls Association Council, in its second year of existence, hopes to prove to be a continued important facet of dorm living. Feel free to air any of your problems to any of its members.

## A Guide to Residence Hall Living . . . .

### **University Regulations**

Like any other social community, the university campus must have certain rules and regulations that apply to all its inhabitants. These regulations are too varied and numerous to list in this short summery. A complete list of the rules and regulations of Texas Tech University can be found in the Code of Student Affairs and Rules and Regulations, 1973-74. All students at Texas Tech are responsible for and are under the jurisdiction of the Code.

### **Residence Hall** Regulations

A list of rules and regulations will be given to the resident at the time of arrival. Presently, weekend visitation is allowed in the women's halls as long as the halls follow the policy set up by the housing office. Hours for visitation are voted on in the individual halls at the beginning of each semester. Check in your hall for details.

### **Residence Hall** Association

Every hall resident is automatically a member of the Residence Hall Association, which has as its purpose, as stated in the constitution, "to prepare each student for active and cooperative citizenship through participation in democratic self-government." Texas Tech's administration believes in student government and is glad to extend the privileges of self-discipline as far as the students themselves are capable of accepting the responsibilities which this implies.

The RHA is the policy-making organization for the residence halls and helps to promote and sponsor programs to encourage academic learning and participation in campus life.

### Residence Hall Legislature

The official governing body of each hall is the legislature, composed of women selected each fall or spring. Legislators are elected from each wing or are chosen by a screening committee. Officers in all halls are elected in the spring. Legislators represent the viewpoint of the students on that wing in the legislature meeting and are responsible for the welfare of their particular wing in the hall. Legislators are the key link in the communication of information to and from RHA, the administration and residents.

## **Resident Standards Board**

Resident Standards Board is the agency through which the rules of the hall are interpreted. This group advises the residents on hall regulations and policies. In each hall the Resident Standards Board is set up under the hall's student government. The purpose of the council is to help young women adjust to the policies and regulations of the residence halls

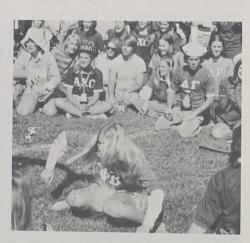

### Residence Hall Counselors

Each residence hall has one adult supervisor, the hall counselor, who is professionally trained for her job. The counselor is responsible for administering a smoothly-run hall with an atmosphere conducive to study and for counseling with the girls in the hall whenever the occasion arises. The counselor may be reached at any hour by calling the university number and asking for the desired residence hall counselor or by calling her phone number directly.

### **Resident Assistants**

Resident Assistants are employees of the Housing Office whose primary responsibility is to know and help the residents within a hall. They will also work in the hall office helping the counselor. The resident assistant is a trained person, ready and able to help the resident at all hours of the day or night.

### **Horn Hall**

Home is where the heart is, and we know of no better campus home than Horn Hall. Activities abound from the very beginning of the year. Serenades and mixers with men's halls are an enjoyable start. Football season brings pep rallies, homecoming decorations, and the Dad's Day Coffee. Halloween night brings out the costumes and there is trick-or-treating throughout the hall. The Christmas season is highlighted by pixie pal week, the all-dorm Christmas party, and the singing of Christmas carols. A newly-formed group, the Horn Hall Singers, caroled this past Christmas at South Plains Mall.

With spring comes the scholarship banquet, the Horn professor dinner, and art display, and picnics with other dorms. Throughout the year, Horn girls are involved in intramurals, talent shows, and other activities.

Horn offers many advantages. The rooms, which can be painted, are large with movable furniture. The informal lounge is perfect for relaxing, watching color TV, and playing cards or ping pong. The formal lounge, with a piano and stereo, is a wonderful place for visiting and entertaining dates and friends. In addition, Horn has three study rooms, laundry facilities, a concession room, a grassy sunbathing area and a perfect location.

Horn is one of the older dorms on campus, but the warmth and friendliness that is here makes it a very special place to live.

### **Hulen Hall**

Want to come join the fun? A big "howdy" greets you from the doors of Hulen Hall. Known as one of the friendliest dorms on campus, Hulen Hall is connected with her sister dorm, Clement Hall.

Knapp is centrally located on the campus. It is one block from the Bookstore, the Women's Gym, the Music Building, and the University Center.

The numerous activities of the dorm correspond with an emphasis on scholar-ship as well as on participation in campus organizations. The all-dorm parties, serenades and mixers with men's halls, and intramural sports are a few of the activities planned to promote new friendships. Knapp's unique Christmas traditions include a candlelight service with Christmas carols and the "Knapp Doll House" through which dolls are contributed for underpriviledged little girls. Knapp is also proud of being the only girls' dorm to ever win the Spirit Stick twice; this big double-T is given to the group exhibiting the most spirit at pep rallies.

Knapp has an informal lounge for playing cards or table tennis, and for watching TV. The newly remodeled formal lounge has a grand piano and a lovely stereo record player. ### Wall Hall

A year of fun and unforgettable friendships awaits you in Wall Hall. The spirit and activity of Wall contribute greatly to a successful year. Won't you come where the action is?

This home of 404 coeds is easily accessible to the library, University Center, and academic buildings. A concession room for quick snacks, color television, informal lounge where bridge four-somes often gather, and a private study room are added benefits for comfortable dorm living. Wall has an enclosed courtyard which is covered with sun worshippers beginning the earliest days of spring. To help prepare girls for those spring days, we also have an exercise room!

Special traditions maintained by Wall are mixers, a "Smarty Party" honoring those girls who made a 3.00 or more, and seasonal parties, such as the Christmas party for the Children of the Guadalupe Center. Exchange dinners and open houses give girls the chance to show off their dorm to friends, family and dates. Each year, the girls eagerly await the tapping of officers.

Wall girls really go places, in the dorm as well as on campus. Scholarship is not slighted, however, for Wall held the trophy for the dorm with the highest gradepoint average for four consecutive years. All of these many activities and honors add up to fun. . . . and a girl from Wall is fun!

### Weeks Hall

Across from the college shopping area, a skip and a hop from the Texas Tech Bookstore, and a stone's throw from the Housing Office, Weeks Hall is conveniently located on campus. We have the reputation of having a great academic and social atmosphere. We have found that we can be successful in both, simultaneously. In the intramural sports held each year on campus we participate in almost all of the categories, and we have placed in several of the divisions. Our homecoming display won first place under the combined dorm section.

With our distinction of being the friendliest girls dorm on campus, we attract many desirable men to our mixers. At the end of each year we join with a boy's dorm in a catered barbecue in our unique courtyard. Our dorm's atmosphere is one which excludes no one. There is a place for everyone in Weeks Hall.

### An Introduction to University Panhellenic . . .

Dear Rushee,

You will soon arrive at Texas Tech to begin your college career. Many of you will participate in MEMBERSHIP SELECTION WEEK, a program that can result in many friendships for you, regardless of whether or not you pledge a sorority. A rushee has the opportunity of meeting hundreds of other new students and an equal number of sorority members who are taking part. You will meet your future sorority sisters and other girls with whom you will form close friendships.

Before you arrive, you will want to give careful thought to what sorority membership should mean in terms of your obligation as a future member and in terms of what you expect to gain personally through this association.

The fifteen national sororities on the Tech campus maintain high standards in matters of personal conduct, scholarship, and campus citizenship. The all-sorority grade-point average is consistently higher than the all-college or all-women's average. Your scholarship is an important consideration for the sorority, for its members are expected to maintain above-average academic ranking. In addition, each sorority supports a national philanthropy; each member, collegiate and alumna, participate in the local projects. Those of you who wish to share in this relationship will find the group best suited to you personally. An open mind and natural, friendly manner will assure a meaningful and enjoyable MEMBERSHIP SELECTION WEEK for you. We are all looking forward to meeting you soon.

### What Is Panhellenic?

The Word Panhellenic is derived from Greek roots: "Pan" meaning all and "Hellenic" meaning Greek. Panhellenic is thus an organization in which all Greek letter social sororities are represented nationally as well as on the campus. To promote intersorority cooperation and to strengthen sororitycommunity relations as a whole, the fifteen social sororities at Texas Tech are members of the Panhellenic Council. Thirteen of the national sororities are members of National Panhellenic Conference, and two of the national sororities are members of National Pan-Hellenic Council. The Panhellenic Council is concerned with affairs of all chapters, including scholarship, social and cultural functions, and all-campus events in which Greeks participate as a whole.

### **University Panhellenic Council**

The governing body of the organization is the Panhellenic Council, composed of two representatives and the president from each sorority. This council meets regularly to discuss questions of mutual concern, activities, and special events sponsored by Panhellenic throughout the year. Before action is taken on certain matters, the representatives have an opportunity to discuss questions with their chapter so that all sorority members have a voice in Panhellenic decisions.

The officers of University Panhellenic Council are ex-officio members of the council. The executive board meets bi-monthly to discuss plans and, in some cases, to make recommendations to the council for action, to coordinate the various activities of the association, and to conduct routine business matters. The officers serve as rush counselors and coordinate rush week.

Panhellenic officers are as follows:

### Greek Guide

Bid—an invitation to join a sorority.

Fraternity—although the name is applied to all Greek-letter organizations, it is more commonly used in referring to all men's Greek groups.

*Greek*—the name applied to sorority and fraternity members.

*Initiation*—the ceremony by which the pledge becomes a member.

Legacy—a rushee whose grandmother, mother, or sister is an alumna or member of a certain sorority.

Member—a woman who has met the pledge requirements of a sorority and has been initiated into the sorority.

*Pledge*—a student who has accepted the bid of a sorority and has participated in the pledge ceremony.

Ribbon-Pledging—a ceremony which precedes formal pledging. The pledge receives a ribbon of the sorority colors.

Rush—the period set aside for the sororities to entertain rushees in an effort to get acquainted and to secure new members.

Rushee—a woman who is indicating her interest in membership in a sorority by participating in rush.

Sorority—a group of university women who have chosen to establish a close affiliation with one another.

Sorority Recommendation—a personal reference from an alumna of a particular sorority. (Each sorority is responsible for obtaining these recommendations.)

Dirty Rushing—a persistent persuasion on the part of a sorority or sorority mem-

ber to secure from a rushee some commitment of preference for that group.

## What Are Sororities? ACTIVE CHAPTERS

A sorority is an organization whose members have elected to establish a close affiliation and friendship with one another. Each sorority has a similar purpose—to offer an opportunity for close friendship and to teach its members leadership through the experience of working with others on common goals and projects. Mutual interest in education, college activities, and in each other binds the group together. Every sorority encourages and expects above average scholarship. Each encourages participation in varied activities which in turn offer unlimited and valuable experience.

Sororities promote lifetime friendships that are maintained after college in alumnae groups and chapters. The affiliation with a national organization gives chapter members a meaningful concept of their responsibility as individuals in a group.

### **ALUMNAE GROUPS**

Upon leaving college, initiated members of the sorority become alumnae and are eligible for membership in alumnae organizations. Each of these groups participates in a wide range of philanthropic and educational projects sponsored by its national organization and in addition give support to local community programs.

## **How Do Sororities Choose Their Members?**

Before a sorority asks you to pledge, the members want to be sure that you will be happy in their groups and that they, in turn, will enjoy working with you. It is important for the sorority members to meet you and to see you as you really are. Formal rushing has been planned with this idea in mind. At the parties sorority members will decide

whether they think you will be a congenial member of their group.

Naturally, you want to make a "good impression" and you will dress carefully, as will the girls whom you are going to meet. But do not think your appearance is all that counts. Your high school record of activities and scholarship is carefully considered by a sorority in determining your potential as a member. These are, after all, fairly dependable indications of your future achievements at Texas Tech.

Each sorority is limited in its total membership and its total number of pledges each year. The number of pledges allowed each chapter is determined each year by the number of young women interested in sorority membership. Each sorority was able to pledge a maximum of forty women during the last formal rush period.

## **How Do You Choose A Sorority?**

You should choose a sorority in exactly the same way you would choose any group of friends. It should be a decision based upon mutual interests and friendship.

During rush you will have many opportunities to talk with sorority women. They will be looking at you as a potential friend and you will be looking at them in the same manner. Act, then, as if you were with a group of your friends and talk about things which really interest you. Do not be afraid to ask questions about their sorority activities and finances. Sorority members will be happy to talk with you about them.

Do not set your heart on one group alone. It is best to know several groups. Remember to look for the heart of the sorority—its members. The ones you choose as sorority sisters will be your close friends for four years of college and for years afterwards. Every group is worthwhile and has much to offer.

Make up your own mind about joining a sorority. Do not be influenced by the

opinion of your associates and relatives. You alone are affected by this decision. The essential thing is to choose a group of women with whom you will be congenial.

### What It Is Like To Be A Pledge

With thirteen different sororities on the Texas Tech campus, each with a personality of its own, what it is like to be a pledge is pretty much up to each individual pledge. This is fine because while a sorority wants to give a girl a place to "belong" and a "home away from home", they also want to encourage each girl to maintain her own individuality; it is by the individual contributions of women that a sorority's personality is built. There are many similarities in our thirteen groups that come from long years of tradition and working together in Panhellenic.

The day you pick up your bid is probably one of the most exciting times of your college career. You will meet with your new sisters, see "your" new lodge and see several other new faces who are to be your pledge sisters. The girls you are now associated with are from diverse backgrounds, which will make getting to know them as exciting to you as it is for them.

You have become a pledge of a sorority. Shortly after this, the sorority will present you with your pledge pin in a special ceremony. This ceremony is designed to be a long remembered occasion and the shiny, bright pledge pin becomes more than just a pin. It becomes a symbol of your sorority.

During the first week of classes, your pledge meeting will begin either Monday or Tuesday nights. This is the time when you get a chance to begin to learn about your pledge sisters, the Greek system, and the sorority that you chose to join. Eventually you will elect your own officers to preside over your meeting, but your pledge trainer will always be there as a guide and confidant. She is your friend and someone to look toward

when any problems arise. The pledge trainer will coordinate your activities with those of the active members.

Sometime during the first few weeks of pledgeship, you will get a "Big Sister." She is a member whose friendship is a little more special than your friendship with other members. She, too, will be a guide and helper through good and bad times. "Big Sisters" are chosen with care and consideration. There will be a "Big Sis" who is "just right" for you.

Your pledge class will participate in many activities. Within your sorority there will be parties, kidnap breakfasts, slumber parties, pledge retreat, and pledge projects. You will be required to get every member's signature by making an appointment to visit with them. This provides an opportunity to get to know the active chapter individually and make a lot of close friends. On the campus you will participate in Sigma Chi Derby Day, Fiji Olympics, and other campus activities. There will also be intramural sports, mixers with fraternities, Pledge Luncheon sponsored by Panhellenic, pledge teas, parties with other pledge classes, and philanthropic projects.

The big event of the fall for most groups is Presentation. As a pledge, you will be proudly presented by your sorority at a large event for parents and friends. You are in a limelight completely your own.

Your pledgeship is the prelude to being a member of your sorority. It is when your first experiences as a part of Greek life begins. There is a time for fun but also a time for learning. And learning is what is stressed by the sororities for this is the reason that you are attending the university—to get an education. The scholarship program is a very vital part of the pledge program of a sorority.

### Scholarship

Each sorority has high ideals in regard to education. The scholarship program is designed to meet the needs of the individuals within that group. It is the

responsibility of every pledge and member to maintain high grades. This is the most important part of your pledgeship. During Rush each sorority has academic standards and you are chosen partly by these standards. Texas Tech is on the four point system: An A is 4.00, B is 3.00, C is 2.00, and D is 1.00. To become initiated into any sorority you must have an overall Grade Point Average of 2.00. The sorority average according to the GPA of its members is consistently higher than the all-women's average. Study hall, study buddies and individual study are a part of the scholarship program. Your sorority will encourage you and help you in any way possible.

### **Sorority Activities**

Even though each sorority has a personality of its own, there are activities which all enjoy. Chapter and Pledge Retreats, Fall Presentation of the Pledges, Halloween and Christmas Party, Homecoming Coffee, Dad's Day Open House and Tea, Scholarship Banquets, Founder's Day Banquet, Kidnap Breakfast, Initiation Ceremony and Party, Chapter Dinners, Big Sis Party, Fraternity Mixers, Dinner Dance in the Spring, Intramurals, and Philanthropy Projects are but a few events in the sorority. Your time and cooperation toward these events is another responsibility in pledging a sorority.

### **Finances**

One of the important considerations in deciding to pledge a sorority must be whether or not you would be able to meet your financial responsibilities. The financial requirements for the pledges and members of all sororities at Texas Tech are similar. Check your pocketbook and consider carefully the expenses of being a sorority pledge and member.

If you can afford to pledge a sorority, the extra expense is repaid a thousand-fold in companionship and sisterhood. Be sure you want to assume this obligation before choosing a group and pledging it.

Ranges Of Sorority Expenses—1973-1974

Pledge's

The preceding figures represent the amount which must be met by each member. Aside from these, any additional cost is up to the individual. Some of the extra things that should be considered are sweatshirts, blazers, windbreakers, Big and Little Sister presents, and costumes for rush.

All sororities receive financial supervision from experienced alumnae and employed accountants. The financial advisors of the chapter welcome consultation with parents at any time.

### **Formal Rush**

## LIVING ACCOMMODATIONS FOR RUSH WEEK

Rushees who will be living in University Residence Halls during the fall

semester, 1973, will be housed in the rooms to which they have been assigned for the fall semester. The Housing Office will notify you of your room assignment.

Lubbock rushees who will not be living on campus during the fall semester will be permitted to live at home during the rush period since housing facilities are not available in the residence halls or in motels adjacent to the campus.

The University Center will open at 10:00 a.m., August 25, Saturday, for registration. You are to go first to the University Center in order to begin rush registration with Panhellenic. After you have completed registration at the University Center, you will move into your Residence Hall. You must register and move into the dorms between 10:00 a.m. and 2:30 p.m., Saturday, August 25th.

The Panhellenic Cooperative Party-Rush Convocation will be held at 3:00 P.M. and at 6:30 P.M. in the Ballroom of the University Center. When you register for rush you will be given your Convocation Assignment and in order to be eligible for rush you must attend the Convocation to which you were assigned. (Assignments are given according to your last name).

Meals will be served for those rushees living in the residence halls. Meals will include breakfast, lunch, and dinner, beginning with lunch on Saturday, August 25, and ending with dinner on Tuesday, August 28th. (Exception: There will be no evening meal served on Sunday August 26th.) Regular meal services will begin on Wednesday, August 29, 1973, with breakfast.

Closing hours for the Residence Halls will be announced during Membership Selection Week. Each Rushee is responsible for signing in and out of the hall. Rule infractions will be transferred to your fall semester record.

Panhellenic expects all rushees to be neat, orderly, and quiet in their rooms, and to be courteous and cooperative with those in charge of the Residence Halls

semester, 1973, will be housed in the rooms to which they have been assigned program.

### TRANSPORTATION

Transportation is being provided for rushees, therefore, it will not be necessary for those rushees living on campus to have a car during Rush Week. After Period I, parties will be held off-campus and buses will provide transportation to and from parties for the remainder of the week. Neither sorority members nor alumnae are allowed to transport rushees. If an emergency arises, call the Panhellenic Office and a Panhellenic representative will be sent to offer assistance.

### Membership Selection Week Schedule

### What To Wear-When

One of the most important things to remember when planning what to wear is the warm climate of Lubbock. Simplicity and practicality are the key rules in campus wear. Your need not bring special clothes to rush, for those you choose from your college wardrobe will be suitable. Be comfortable and well-groomed.

The University Panhellenic Association would recommend that no shorts or curlers be worn in the University Center during rush and registration.

Period I—Wear lightweight casual clothes (dresses, slacks, or nice jeans).

Period II—Wear lightweight casual dresses, school dress, or slacks.

Period III—Wear lightweight casual dresses or school dress.

Period IV—Wear church clothes.

Period V—Wear an after-five dress or a long dress.

Be natural and be yourself at rush parties! Good manners are important equipment for making favorable impressions, and they help express your personality. Talk about any subject that interests you, and don't be afraid to ask questions. Be a good listener, also. Don't be "snowed" by the parties: just remember the girls that you meet.

### **Summer Rush**

The University Panhellenic Association of Texas Tech University has adopted the policy of not participating in any form of summer rush. This prohibits any Tech sorority girl and any potential rushee from participation in or attending any function given by only one fraternity prior to Formal Rush Week. We would recommend that any contact between a sorority member, pledge, or an alumnae and a potential rushee in regard to sororities at Texas Tech shall be executed in a Pahnellenic manner, which would be representative of all sororities with no preference stated or implied.

Violations of this rule should be reported in writing to the Panhellenic Advisor within two weeks of the incident. Mark "personal" on the envelope. These matters will be taken up at the first meeting of the Judiciary Committee of Panhellenic.

### **Open Rush**

The period of Open Rush begins immediately after formal rush if any sorority is eligible to participate. A sorority is eligible to participate only if their membership is less than eighty members. A girl may indicate her interest in participating in Open Rush in the Office of the Student Organizations Advisor, Room 244, West Hall.

### FIRST PERIOD PARTIES

Of all the rush parties you'll be attending, first period is the most casual and because all parties are located on campus, we would suggest light, cool clothes and comfortable walking shoes.

### SECOND PERIOD PARTIES

At second period party, you will possibly be attending 8 different parties scheduled from 10:00 a.m. to 8:00 p.m. With such a busy and tight schedule, slacks or a comfortable summer dress would be most appropriate.

### THIRD PERIOD PARTIES

Third period begins later in the day and with only 5 parties to attend, you'll find a school dress most comfortable.

### FOURTH PERIOD PARTIES

As rush week progresses, you'll find that 4th period is more serious and to meet the occasion you'll find church dress perfect for the climate of the evening.

### FIFTH PERIOD PARTIES

Preferential party is the evening everyone has been waiting for—decisions are to be made that will last a lifetime. Dress for this memorable evening as you would any special social event. After 5 is superb in a street length or formal length dress.

### **Rules Governing Formal Rush Week**

Rules have an important purpose in rushing. When the University Panhellenic Council makes the rules for rushing, it tries to give all rushees and sororities equal consideration. Rushing is really not mysterious when you understand its regulations and purpose. Much careful organization goes into creating a rushing schedule that gives all concerned a fair opportunity to reach necessary decision. Follow the rules, stay relaxed, and make the most of rushing experiences.

I. Eligibility of Rushees

Rushees must be regularly enrolled or in the process of enrolling in Texas Tech University for 12 or more semester hours in order to be eligible to participate in any rushing program. Rushees entering from high school must have at least a "C" average to be eligible. (It is recommended this be at least a high "C" average.) If you attended college any place at any time, this affects your rushing eligibility, if you have completed 12 or more semester hours. If you have completed 12 semester hours or more, you must have a minimum "C" average for the preceeding regular semester of college if you are enrolled during a regular academic year. Semester prior to pledging shall be interpreted as the fall or spring semester or the complete schedule of summer school work. All rushees are responsible to seeing that their transcripts have been received by the Registrar's Office of Texas Tech before the day rush begins. Complete the Grade Information Form enclosed with other material.

II. Membership Selection Rules.

1. Formal Rush Week is defined as beginning at 10:00 a.m. Saturday, August 25, 1973, and ending with receiving of bids Saturday, September 1. Silence begins at 3:00 p.m., August 25 when Convocation is held.

2. Upon arrival in Lubbock, a rushee is not to go to the home of sorority

members or be with any one connected with a sorority other than members of her immediate family.

3. Rushees shall not grant interviews to the press nor pose for photographers during Membership Selection Week unless arrangements have been made with University Panhellenic and the Office of the Student Organizations Advisor.

4. Emergency telephone calls will be taken care of through the dorm rush counselor.

5. A rushee must arrive and leave all rush parties at the hour specified in the invitation.

6. Under no circumstances should a rushee call a sorority house for any reason during Rush Week. Should the rushee confuse the times, the places, her parties or becomes ill, she should notify the Panhellenic Office, which will notify the sorority.

7. Should a rushee be forced or wish to discontinue rush at any time, she must contact the Panhellenic Office.

8. If a rushee cannot attend a party due to illness, she must not notify the chapter herself. A rushee must attend every party whose invitation she has accepted. Cutting a party without the permission of the Panhellenic Office may result in the forfeiture of the remainder of rush.

9. Panhellenic name tags will be issued to the rushee at Rush Convocation to be worn on all occasions. A rushee is responsible for her name tag throughout Rush Week.

10. Rushees are required to bring rush rules booklet, pencil, and a schedule of all accepted parties to all convocations.

11. There is to be no smoking at any of the rush parties. (This is a safety precaution.)

12. Rushees are subject to the penalty of deferred rushing for one semester for violation of rush rules.

13. Rushees must pick up her own invitations; she may not send someone to pick them up for her. If a rushee doesn't pick up her invitation, Panhellenic will assume that she has withdrawn from rush.

III. Counseling During Rush

Counseling is one of Panhellenic's major functions during Rush Week. Panhellenic offers rushees counseling on personal as well as technical aspects of rushing. There will be a rush counselor living in the dorm during Rush Week. She will be available for counseling at all times. Each rushee will also be assigned a rush counselor who will be available in the dorm at the designated times to be set at registration.

If a rushee desires to discontinue rush by regretting all of her invitations, she is urged to take advantage of Panhellenic Counseling available at the post office before making a final decision.

Counseling will be provided in the following places:

- 1. Panhellenic Rush Office
- 2. In dormitories, at designated times and places.

IV. Silence During Formal Rush

Silence is a time when all rushees are asked not to converse with people other than the rush advisors except at the parties. The reason for this is that Panhellenic does not want the rushee's choice of a sorority to be the result of outside influence. Women are much happier in a sorority which they themselves have chosen rather than a group which parents, men and other friends encourage them to join. A rushee must not discuss sorority membership with another rushee since this must be an individual decision. A rushee is allowed, however, to associate with rushees during Rush Week.

- 1. The period of silence begins with Convocation (which every rushee must attend) on Saturday, August 25, 1973, and ends with the acceptance of a formal bid on Saturday, September 1. Rushees may not receive guests in the hall during the period of silence.
- 2. There shall be no contact or conversation between a rushee and sorority member, pledge, or alumna except at the specified rush parties. You may say hello.
- 3. Sororities are bound by silence and may not deliver letters, telephone

calls, or telegrams to rushees at any time, nor may they enter a rushee's room during the period of silence.

- 4. No sorority woman (active or pledge) may be present in a room where any rushee resides (and vice versa) during formal rush week, unless she is a resident of that room during Rush Week.
- 5. A rushee who is the roommate of a sorority member will naturally be in contact with her, but they must not discuss sororities or rush.
- 6. You may not receive any mail, phone calls, or visitors. Emergency packages and messages may be checked through the Panhellenic Office and then be given to rushees.
- 7. Emergency telephone calls will be taken care of through residence rush advisors and hall counselors. Request that your family and friends not insist upon talking with you during rush for you are the one who is penalized.
- 8. There is no contact whatsoever with men, family, or friends during Membership Selection Week. The rushee may not leave the city of Lubbock to go home or for any other reason.
- 9. Breaking of silence before rush is over will result in appearance before the Panhellenic Judiciary Committee and possible removal from rush.

V. Illegal Rushing

- 1. Oral invitations to parties or to join a sorority are absolutely forbidden and are not valid during formal rushing.
- 2. By mutual agreement there shall be no dirty rushing at any time. (see definitions)
- 3. Sorority members shall make no statements to rushees or to others giving their idea of sorority ratings on the Tech campus, for there is no such thing.
- 4. No gifts, flowers, or favors can be given to rushees. The rushee is to take nothing from any of the parties.
- VI. Penalties for Violations of Membership Selection Rules by Sororities
- 1. It is your responsibility to report any infractions of any rush rules within 48 hours of the occurrence. All penalties

for violations of rush rules will be decided by the Judiciary Committee of University Panhellenic.

of good health, for maintenance of fine standards, and for serving, to the best of our ability, our college community.

2. Rushees should remember that if a sorority member(s) issues oral invitations to attend rush parties during Rush Week or to join her group, or the sorority members violate any other rush rules, it is a breach of the sorority's honor, and must be reported by the rushee to Panhellenic.

### The Panhellenic Creed

WE, THE UNDERGRADUATE MEMBERS of women's fraternities, stand for good scholarship, for guarding

of good health, for maintenance of fine standards, and for serving, to the best of our ability, our college community. Cooperation for furthering fraternity life, in harmony with its best possibilities, is the ideal that shall guide our fraternity activities.

We, THE FRATERNITY WOMEN OF AMERICA, stand for service through the development of character inspired by the close contact and deep friendship of individual fraternity and Panhellenic life.
