Spring 1952

The Home Improvement House

This was our home for six weeks

when we learned "Practical Water Repair."
(well, almost any way!)

Mrs. Lola Marie Drew

Mrs. Drew, our director, is from Livingston
Texas. She brought her help and guidance we
profited each day and enjoyed every minute
of our stay in our short-time home.

Loom & Gates

Margaret Smith Loom from
Loom Texas (unbelievable
that is) Margaret was
our first food-messenger
& I'm sure will always
remember her. She is also
an H. E. Education Major
but we suspect her plans
include other things rather
than teaching. (Curtis, maybe,
or Martha?)

You can really tell
me ate well as the
Loom. Check the lovely
shape of "The Shadow"!

Betty Jones - Betty is
from Merkel & Lubbock
Texas and is a H. E.
Education Major. Betty's
hair was up in
faded territory with
that certain smile but
she still managed to
make around here very
well. —

Charles Fatta is one
of our Lubbockites.
He is an N.E. Education
Major. When we need
help with Cindy, our baby,
we always called on
Charles, since she always
knew what to do.
Now you know
Charles by her
favorite phrase "do
me a favor"!!

Betty Hall also comes
from here in Lubbock
and is an N.E. Education
Major. She saw as much
of Bill as we did Betty. She
kinds suspect when Betty
was good manager that Bill
was assistant since he was
in the kitchen so much.
Sure you made that beautiful
Chiffon cake, Betty??

Mary Lutz Hassen from
Klamath Falls is a senior
H. E. Education major. Mary Lutz
will graduate in May and her
future plans include "Spa," that
ever lasting man at the University.
Maybe by that time "D. C."
will know how to make
brown toast!!

Jackie Unstable is an H. E.
Education major from
Stille Point. She was famous
for her many hand tips to
the kitchen when she was just
a good major. However she made
a wonderful good major and
we all gained many pounds during
her reign as good major. She
was also a good diaper changer
for a certain rather spinnish
baby director, but Jackie!!

Lue Wiley Blackhead is the
one General H. E. major in the
group. She hails from way down
in Hunter. Lue Wiley is one
of the official baby spillers
but how she did hate to get
up at 6 to feed Cindy.

Our Baby

This is our baby, Cyrtelia Lee
Hardin, age $3\frac{1}{2}$ months. Cyrtelia
is the daughter of Mr. & Mrs.
Dick Hardin. Of all the fine
girls around the house, Cyrtelia
is the most pampered and petted
but who could resist such a
sweet and pretty baby as she is!
